

Earn Service Hours and support Alaya while doing your regular grocery shopping!

The sale of grocery certificates/script is a very important on-going fundraising activity at Alaya. Tuition charges cover the basic operational costs of our program. Alaya depends on fundraising to finance designated projects including facility repairs and improvements. Buying grocery certificates/script is a simple way to raise money for the school that involves a very minimal amount of time and effort. In fact, if you buy groceries, you are already doing most of the work! **You will also receive one Service Hour for each accumulated \$250 spent on grocery certificates/script. See Family Participation Agreement for Service Hour details.**

Alaya buys certificates/script from the stores listed below. The cost to Alaya is less than the face value of the certificates/script. Alaya then sells the certificates/script at face value and makes from 5% to 10% of the total sales. You do not pay more for your groceries. We earn a percentage from the following stores:

<i>King Soopers</i>	<i>Gift Certificates/Script</i>	<i>5%</i>
<i>Liquor Mart</i>	<i>Gift Certificates/Script</i>	<i>10%</i>
<i>Lucky's Market (North Bldr Mkt)</i>	<i>Gift Certificates/Script</i>	<i>7%</i>
<i>Safeway</i>	<i>Gift Certificates/Script</i>	<i>5%</i>
<i>Sunflower Market</i>	<i>Gift Certificates/Script</i>	<i>5%</i>
<i>Vitamin Cottage</i>	<i>Gift Certificates/Script</i>	<i>5%</i>

This is what you do:

You can buy the certificates/script as often as is convenient for you anytime the office is staffed. Use the certificates/script like cash. You can buy certificates for several different stores at once and write only one check.

The purchase of grocery certificates/script is not limited to Alaya families. This kind of fundraising is an easy way to involve grandparents, neighbors and friends in supporting our community preschool!
